

History

The Laguna Madre Water District (formerly Cameron County Fresh Water Supply District No.1) was created by order of the Commissioner's Court of Cameron County, Texas, on December 5, 1950, as a Fresh Water Supply District pursuant to the provisions of Chapter 4, Title 128, Vernon's Texas Civil Statutes, as amended (now Chapter 53, Texas Water Code) and the creation thereof was duly and lawfully confirmed at an election held for such purpose as required by law.

The Board of Supervisors of the District, acting pursuant to the authority conferred by Chapter 54, Texas Water Code, duly and lawfully adopted and entered in the minutes of the Board of Supervisors resolution declaring that in its judgments, conversion into a municipal utility district operating under Chapter 54 and under Article XVI, Section 59, of the Texas Constitution, would serve the best interest of the District and would be a benefit to the land and property included in the District. The Commission on, October 23, 1973, duly passed an order to convert the district into a Municipal Utility District.

Finally, on November 8, 1995, the Board of Directors of Cameron County Fresh Water Supply District No.1 changed the name to Laguna Madre Water District.
